

What do you like about the instructor and/or lab component of the course?

(Use back of form if additional space is needed) LIKED +NE

System in which we had no grades. Dr

Benton still made it worthwhile to

come to class even though nothing

We did was assigned a grade

What do you like about the instructor and/or lab component of the course?

(Use back of form if additional space is needed) Great with people

but too optimistic and universalistic. He loves

what he does and loves to help others

learn but Grading policy needs to be

a little more solving policy.
